It is an example of the abstract for the conference “MECO 36”. It uses the style-file “mec36.sty”. As a result, an abstract fits the 11 cm × 16 cm rectangle typed by a 10 pt font (approximately 300 words). Please submit both tex and pdf files of the abstract to `meco36@icmp.lviv.ua`

Underline the presenting author’s name. For the author(s) with several affiliations you can indicate up to 6 different institutions by labels `\ada ... \adf`. Use `\ac` command to separate different labels. For the author(s) with single affiliation please uncomment the commented lines in the template.

L<sup>A</sup>T<sub>E</sub>X style file and the template are available from the conference WWW page <http://www.icmp.lviv.ua/meco36>
